

Multi Strategy Alternative Fund 2

Investment Strategy

Multi Strategy Alternative Fund 2 ("the Fund") provides investors with exposure to a set of diversified alternative strategies professionally managed by Wellington. The Fund is designed to have low sensitivity to traditional markets such as equities and bonds over a full market cycle (5 - 7 years) and has the potential to provide portfolio diversification benefits.

Wellington manages the multi-strategy alternatives portfolio benefiting from the Investment Manager's resources and decade-long experience in evaluating, selecting, monitoring strategies and portfolio construction.

The Wellington strategy consists of at least 5 underlying hedge fund strategies and is designed to achieve broad diversification across global capital markets and strategies. Such underlying hedge fund strategies may include equity long/short, market neutral, macro strategies, as well as credit long/short or credit total return run by Wellington.

The Fund is seeking a total return outperforming the ICE BofA 3-Month US Treasury Bill Index Hedged into AUD (net of fees) over a full market cycle (approximately 5 - 7 years).
